Product Description

JCB 300T Compact Track Loader

The large-platform, Hi-Viz, JCB 300T compact track loader provides the operator with excellent visibility of the attachment.

With a rated operating capacity of 3,000 lbs., this vertical lift machine is ideal for lifting and loading with the added versatility that comes from the ability to use a wide variety of attachments. These attachments include but are not limited to, blades, tilers, and trenchers.
