Product Description

JCB TM220 AGRI Telescopic Wheel Loader

The TM220 is a highly productive telescopic wheel loader with compact dimensions, performance, versatility and JCB's iconic telescopic boom for great lift height.

It's fitted with a 74hp (55 kW) engine that produces 221 ft-lb (300 Nm) of torque, powering a 2-speed hydrostatic transmission with a max. lift height of 15ft (4.6 m).
