Product Description

GP6500 49ST Portable Generator

Generac's GP6500 portable generator offers **PowerRush™ Advanced Technology**, which delivers more than a 40% increased starting capacity*allowing you to do more with less. Generac's OHV engine and large-capacity steel fuel tank ensures extended engine life and run times, while the steel tube cradle provides added strength. The low-oil feature protects the generator from damage. The GP6500 can be easily transported across rough or difficult terrain with the heavy-duty wheels and easy fold-down handle. Even maintenance is a breeze, with the hour meter keeping track of necessary upkeep at regular intervals.

Features:

- Featuring PowerRush™ ADVANCED TECHNOLOGY - Delivers over 40% more starting capacity allowing you to do more with less.*
 - Generac's durable OHV engine with splash lubrication provides a long engine life.
 - Large-capacity steel fuel tank with incorporated fuel gauge provides durability and up to a 10.5 hour run-time at 50% load.
 - Low-oil level shutdown automatically safeguards engine from damage.
 - 1-1/4" steel-tube cradle for added durability and strength.
 - Hour meter tracks maintenance intervals.
 - Heavy-duty, never-flat wheels for reliable portability.
 - Fold-down handle for sturdy portability and compact storage.
-
