### **Product Description**

# **Kioti CS Series Sub Compact Tractor with Loader - CS2210 HST**

With Front End Loader: SL2410

### **FEATURES**

- Premium Diesel Engine: A 21.1 hp (15.7 kW) optimized combustion diesel engine has large power output, yet low fuel consumption. Fluid service and inspection locations are easily accessible to the operator.
- Headlights: 55W lamps are the brightest in this tractor's class.
- Foldable ROPS: The standard fold-down roll bar allows you to move into low clearance areas quickly and easily.
- Control Levers: The HST with HI-LO range lever allows the tractor to overcome a wide range of load tasks. The rear PTO and mid PTO can be controlled separately or together with a simple in-line shifting lever. The height adjustment lever allows the operator to easily control the mid-mount mower grass cutting height.
- Ergonomic Operator Station: The ergonomically designed workstation places operator controls within easy reach for maximum comfort.
- Four Wheel Drive: Single-lever engaged 4WD is standard on the CS2210 tractor.
- Distinctive Hood Design: The streamlined hood design improves the visibility for the operator. A vertical opening hood allows for easy access to the air filter, fluid service and inspection locations fuse box, and electrical components.
- Twin HST Pedals: Twin HST pedals offer easy forward and reverse movement with smooth engagement, acceleration and deceleration. Pedal pressure is minimized which reduces operator fatigue during long hours of use.
- Rear PTO and 3-Point Hitch: The rear PTO and high-capacity three-point hitch can accommodate a variety of implements and attachments. The flip-up PTO guard ensures easy implement attachment. The bent lower link assists with easy implement installation.
- Mid PTO: The standard mid-PTO (2,200 rpm) allows you to use implements such as a mid-mount mower.
- Illuminated Dashboard: The dashboard illuminates when the engine is started. The digital gauge

package includes a tachometer, fuel, and temperature gauges along with a low fuel warning lamp.
